## Zions Wealth Investment Account

Zions Wealth Investment Account Cash Reward

Earn a cash reward when you extend your Gold relationship to a new Zions Wealth Investment Account. Cash reward benefits may change at any time. See your banker if you would like to speak to a Zions Wealth professional for details.<sup>16</sup>

16. **Zions Wealth Investment Account Cash Reward (“Cash Reward”)**: You may be eligible for a one-time Cash Reward when your relationship includes a qualifying Gold Account and you fund a new Zions Wealth Investment Account (“Investment Account”). The Cash Reward amount will be based on the Average Balance in your Investment Account -- after your Investment Account has been opened for 120 calendar days, we will look back to determine the average balance of your Investment Account over the 90-day period immediately preceding the date of our review (“Lookback Period”). Where the Average Balance during the Lookback Period is at least \$50,000, the Investment Account qualifies for a Cash Reward of \$125; \$150,000 qualifies for a Cash Reward of \$250; and \$250,000 qualifies for a Cash Reward of \$500. Qualifying new assets must consist of net-new cash and securities deposited into the new Investment Account, excluding any existing brokerage accounts or other assets held by (or transferred from) Zions Wealth -- assets transferred from other Zions Wealth investment accounts do not qualify as new assets and will not be aggregated for purposes of determining your Average Balance. Further, To be eligible for the Cash Reward, the primary owner of the Investment Account must be a sole or joint owner of an open Gold Account on the day the Average Balance and amount of the Cash Award is determined and such Gold Account must have maintained a positive available balance (daily) for the duration of the Lookback Period. Once eligibility for the Cash Reward is confirmed, it will be paid to the Gold Account owned by the Investment Account primary owner/holder within 30 calendar days of the date we determined the Average Balance and Cash Reward amount. Ownership is determined based on tax identification number on the date we review to determine Average Balance. There is a limit of one Cash Reward per person and only one Cash Reward will be paid per Investment Account opened under any single tax identification number. Zions Bancorporation reserves the right to change or cancel this offer at any time, without notice.

The value of the Cash Reward you receive may constitute taxable income. All tax liabilities, if any, associated with the benefits are the responsibility of the recipient, and the recipient may receive an IRS tax reporting statement that includes the approximate retail value of the benefits. If tax documentation including a valid W-9 or W-8 is not completed, the Cash Reward may be forfeited. Information provided is not intended to be and should not be construed to be tax advice. Zions Bancorporation and its affiliates and associates do not provide tax advice. Clients should consult their tax advisor regarding their individual tax situations, including the tax effects of any investment recommendations.
